HELPING YOU WITH THE COST OF PRALUENT® (alirocumab)

Whether you're starting PRALUENT or have been taking it for some time—you may be wondering how you may be able to lower your out-of-pocket costs. We're here to help find a program that may be right for you.

Commercial Insurance

- Pay a \$0 copay for PRALUENT each month subject to a maximum annual copay assistance amount from MyPRALUENT® of \$5,500*
- Eligible patients can use the card for product specific copay, coinsurance, and deductibles

Refer to the copay brochure within this kit for more information

Medicare

- Some Medicare patients may be able to get Extra Help to pay for medications and drug plan premiums through the LIS program

Find out if you qualify:

Visit <https://www.secure.ssa.gov/i1020/start>

PRALUENT is covered by the majority of health insurance and Medicare plans[†]

*Eligible patients with commercial insurance not funded through a government healthcare program, subject to an annual cap and other program terms and restrictions.

[†]Formulary data are provided by Managed Markets Insight & Technology, LLC (MMIT) and are current as of March 9, 2017. Because formularies do change and many health plans offer more than one formulary, please check directly with the health plan to confirm coverage.

Uninsured

- Eligible patients may get PRALUENT® (alirocumab) at no cost through the Patient Assistance Program
- If eligible, you can get PRALUENT free of charge for up to 12 months. Eligible patients may submit for renewal*
