LEARN HOW YOU CAN RECEIVE PRALUENT

You may receive PRALUENT from a specialty pharmacy. Or you may pick it up from your local drug store. Either way, you have options. Here's what you need to know.

What is a specialty pharmacy (SP)?

An SP handles and ships medicines that need extra care. If you're getting PRALUENT this way, here's what to expect.

- 1 Your doctor's office sends your prescription to an SP**
 - They work together to help you get access to PRALUENT

Your SP calls you to set up delivery

- 2**
 - They may ask for more information
 - You **must** talk to them before you can get PRALUENT
 - Be sure to ask if you can get help with the cost of PRALUENT
 - Use your MyPRALUENT™ Copay Card* if you have private (commercial) insurance. Or sign up for one at **PRALUENT.com**

- 3 Your refills are processed**

- Talk with your SP each month to schedule delivery

*Eligible patients with commercial insurance not funded through a government healthcare program subject to an annual cap and other program terms and restrictions. This offer is not valid for prescriptions covered by or submitted for reimbursement under Medicaid, Medicare, VA, DOD, TRICARE, or similar federal or state programs including any state pharmaceutical assistance program.

Your SP will call with important information. This may come from a **toll-free number**. So be sure to pick up the phone.
